PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

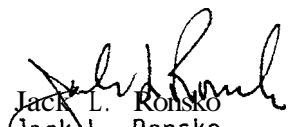

TO:	City Council	<u>Project Data</u>	
		Originally Budgeted:	1988
FROM:	City Manager	Budgeted Fund:	Gas Tax Fund
		Amount Budgeted:	\$53,000
MEETING DATE:	March 1, 1989	Total Project Estimate:	\$146,000
		Bid Opening Date:	3/22/89
AGENDA TITLE:	Approve Plans and Specifications for Street Improvements, Guild Avenue (Lodi Avenue to Pine Street) and Lodi Avenue (680 Feet East of Cluff Avenue to Guild Avenue), and Authorize Advertising for Bids		

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project will be done in conjunction with the development of Griffin Industrial Park. The City is responsible for the street improvements on the south half of Lodi Avenue and the east half of Guild Avenue. The Griffin Industrial Park developers are currently out to bid for their portion of these two streets.

When this City project was budgeted, it was anticipated that Griffin Industrial Park would be constructed in two phases. Additional funds were to be budgeted when the second phase was developed. Because the Griffin Industrial Park developers are constructing the entire subdivision at this time, additional funds are needed now.

A recommendation will be made on the appropriation of additional funds at the time the bid is awarded.
